JOINT STIPULATION

Frankie Cordova sustained two gunshot wounds on February 24, 2019, and succumbed to his injuries on the same date. The medical examiner determined Cordova's cause of death to be gun shot wounds to the head and chest.

Further, the Assistant Chief Medical Examiner produced a Report of Investigation, case number: W2019-92148, after the autopsy was performed on Cordova. This Report is true and accurate and that, if the medical examiner had been called to the stand to testify, would have testified to the information contained in the exhibit as previously summarized.
